

Commercial License Agreement

Commercial License for the Harmonic Shape Transform (HST) Author: *Pavel Krahulík* **Year:** 2026

1. Grant of License

The Author grants the Licensee a **non-exclusive, non-transferable commercial license** to use the Harmonic Shape Transform (HST) concept, documentation, and related materials in **closed-source, proprietary, or commercial products**.

This license overrides the restrictions of the GPL-3.0 license **only for the Licensee**.

2. Rights Granted

Under this commercial license, the Licensee may:

- use the HST concept in commercial software or AI systems,
- integrate it into proprietary products,
- modify or extend the concept internally,
- keep derivative works closed-source.

3. Restrictions

The Licensee may **not**:

- redistribute the HST concept as a standalone product,
- sublicense the concept to third parties,
- claim authorship of the concept,
- remove copyright notices.

4. Attribution

The Licensee must include the following notice in documentation or credits:

“Harmonic Shape Transform (HST) concept used under commercial license from Pavel Krahulík, 2026.”

5. Payment

The commercial license is granted **only after payment** or other mutually agreed compensation between the Author and the Licensee.

The amount and form of compensation must be agreed in writing (email is sufficient).

6. Termination

The Author may terminate this license if the Licensee violates any of its terms. Upon termination, the Licensee must stop using the HST concept in all products.

7. Governing Law

This agreement is governed by the laws of the Czech Republic.

8. Acceptance

By using the HST concept in a commercial or proprietary product, the Licensee agrees to the terms of this Commercial License.
